EQUIPMENT REQUIRED FOR OPERATION

OHV vehicles operated on streets, or roads in the Town of Hayden, are required to be equipped with the following equipment. All equipment shall be operational and meet statutory requirements.

- One Headlight
- One tail lamp
- One rear reflector
- One stop lamp
- Muffler(s)
- Brakes
- Mirror(s)
- Horn
- Side by side vehicle required seat belts
- Foot rest/hand holds for passenger

**Driver must be 16 years of age, possess valid drivers' license and insurance is required to operate OHV vehicles on streets and roadways.

**If the owner of the OHV transfers ownership to another person, the Town Registration sticker MUST be removed.

**Hours of Operation 4:00am to 10:30pm

I declare under perjury that, to the best of my knowledge and belief, the vehicle hereby described is an Off Highway Vehicle vehicle, all information on the checklist is true and accurate, and I have read and understand that the listed equipment is required for operation of the OHV vehicle on streets and roadways.
