Hayden Town Council Regular Meeting February 20, 2025

Call to Order/Roll Call

Mayor Banks called the regular meeting of the Hayden Town Council to order at 6:00 p.m. Mayor Banks Offered a moment of Silence Mayor Banks Led the Pledge of Allegiance

Councilmembers Hicks, Haight, and Carlson were present. Councilmembers Bell and Hayden were absent. Also present were Assistant Town Manager/Community Development Director, Tegan Ebbert; Town Clerk, Barbara Binetti; Police Chief, Scott Scurlock; Public Works Director, Bryan Richards; Finance Director, Andrea Salazar; and Hayden Center Recreation Director, Rhonda Sweetser (via Zoom).

Councilmember Reports and Updates

Mayor Banks had an update on the RTA that the project is moving forward. There will be public presentations coming soon. It should be on the ballot in the fall November, 2025. Tegan Ebbert had joined the Technical Committee.

Study Session / Staff Reports

HAYDEN CENTER

Sarah Stinson, Director Arts and Events: Tegan Ebbert updated the Council that Nash Welch, the new program manager, would be filling in for Ms. Stinson while she was out.

Rhonda Sweetser, Director Parks and Recreation: Pee Wee Wrestling is open for registration. Volleyball ends the end of February. Cornhole tournament is 2/22/25. Thank you to Public Works for helping with the plumbing issue. Hopefully it will be solved next week. Nash Welch started and is working on projects.

POLICE

Chief of Police Scurlock: We have our new officer starting with us on Monday – Bobby Adler is a lateral from Moffat County Sheriff's office – we are excited for him to start. This means we are one full-time officer away from being fully staffed at the PD.

We received a LIDAR (light detecting and ranging) speed measurement instrument. It allows for very precise speed readings.

I provided a response to Mr. Mendisco regarding Hayden's participation in multi-agency operations and teams and he followed up with Council on that email today. I'm happy to answer any questions or provide more information. The Council had no questions.

PUBLIC WORKS

Bryan Richards, Public Works Director: Water: It has been a weird weather year; a lot of broken pipes. Public Works is very busy responding to calls and are doing great on response times. Sewer: We are working on the Airport Lift Station as it is still having issues. South Spruce Street will be

repaired this summer. Bryan commended Ty and Logan on the PW team for the hard work at the Hayden Center. Bryan commented that it was time to invest in some specialized tools for some of these jobs at HC and they are quoting those now.

We closed on the right-of-way purchase for the pedestrian bridge on Poplar St. However, we got unfortunate news that our grant that will fund a majority of the project has been put on hold by the new presidential administration. We are hoping to still get that money, but if not, we will have to find an alternative solution as the bridge may not make it through the year.

We are working on the Routt County Hazard Mitigation Plan with a consultant hired by the County.

The contract for the Geo-Thermal project and South Spruce project will be on the next agenda in March 2025.

PLANNING

Tegan Ebbert, Community Development Director:

We had an RFP out for the Resiliency plan that closed last week and staff is reviewing those proposals now. There are three CU Boulder Masters of Environment Program students that will be working with us on this project.

I met with CDOT on the Mountain Rail Project. CDOT has asked for all municipalities that are proposing to have a rail depot location in their community to support a Resolution stating (1) Elected officials are in support of Mountain Rail (2) In support of location of the Depot (3) in support of the construction around that location. CDOT is drafting that resolution now and we should see it later in the spring.

Councilmember Haight stated she felt it was important to have public comment on this issue. Councilmember Carlson said there have been several open houses on the subject a few months ago. Tegan clarified for the board that Mountain Rail is a CDOT project and RTA has to go to a ballot decision. Staff wrapped up the conversation stating that the Service Development Plan (SDP) will be done in March which will have more information on rail. Over the next year there will be planning around "station planning" and there will be more open houses at that time.

ADMINISTRATION

Mathew Mendisco, Town Manager: Absent Barbara Binetti, Town Clerk: Nothing to report.

Andrea Salazar, Finance Director: Starting on the 2024 Audit.

Staff reports will continue at the end of the meeting.

Town of Hayden

Town Council Agenda Item

MEETING DATE: February 20, 2025

AGENDA ITEM TITLE: Planning Commission appointment of Katie Berning

AGENDA SECTION: Consent Agenda

PRESENTED BY: Tegan Ebbert, Community Development Director.

CAN THIS ITEM BE RESCHEDULED: Yes, but not recommended.

BACKGROUND REVIEW: Planning Commission has one vacancy for an alternate member. Katie Berning submitted a letter of interest to serve on the Hayden Planning Commission. Katie has lived in Hayden since 2018. She is an active member of several volunteer groups around the Hayden area. She has been working for the local non-profit organization, Friends of the Yampa as their Outreach Program Manager since 2022.

Staff believe that Katie will be an asset to the Hayden Planning Commission based upon her involvement within the Hayden community, her work experience, and interest in the relevant subject matter that the Hayden Planning Commission reviews.

If this Planning Commission vacancy is filled, the Planning Commission will be fully occupied with five regular members and two alternate members.

RECOMMENDATION: Move to approve the appointment of Katie Berning to the Hayden Planning Commission as an alternate member with a term expiring on 1/31/2031.

MANAGER RECOMMENDATION/COMMENTS: I concur with the recommendation.

Hayden Planning Commission interest letter

Hello Tegan and Planning Commission,

I am interested in serving on the Hayden Planning Commission. I would like to contribute my time and efforts to be part of the process for planning and growth for the town of Hayden. I value Hayden's heritage, as well as know that it is ripe for development and growth. I am passionate about preserving the Hayden we all know and love, while making space for new families and residents.

I am currently employed at Friends of the Yampa and would like to bring my environmental view to the conversation. My strongest professional skills are in communications. I have experience in marketing, social media, event planning, and in-person outreach. My work at the Steamboat Pilot & Today helped give me a history of Routt County. I have taken City 101 and Leadership Steamboat in Steamboat Springs. I am well connected to many nonprofits and businesses in the area through my work with event planning and marketing.

I am organized and detail-oriented. I am a fast learner and look forward to learning more about the town of Hayden. We, as Hayden residents need to be a part of the process, and I feel the Planning Commission will be a great opportunity.

Please reach out if you have any guestions.

Sincerely,

Katie Berning

MEETING DATE: February 20, 2025

AGENDA ITEM TITLE: Request to pause sales tax incentive for Creek View Grill

AGENDA SECTION: New Business

PRESENTED BY: Tegan Ebbert, Community Development Director.

CAN THIS ITEM BE RESCHEDULED: Yes, but not recommended.

BACKGROUND REVIEW: When Creekview Grill opened in 2022, they requested and were granted a three-year sales tax reimbursement incentive. The original approval letter is attached and outlines that the business is eligible for 50% sales tax reimbursement in their first year of operation, 40% reimbursement in their second year of operation, and 30% reimbursement in their 30%.

Creekview was entering operational year 3 when a fire closed the business in October 2024. The business owner has been working with the Routt County Regional Building Department since the time of the fire. Building permits have been issued to demo the fire damaged areas and repair the restaurant in order to resume operations in 2025. The business owner has requested that the year 3 incentive of 30% reimbursement be paused until such time as they resume operations.

Business incentive requests first go to the Hayden Economic Development Commission for review and recommendation, before going to the Town Council for review and approval (or denial). Incentives are a tool used to support local business growth and establishment, typically within the first few years of operations.

Hayden Economic Development Commission has discussed this request and recommends approval of the final year of incentives to resume once the restaurant opens back up.

RECOMMENDATION: Move to amend the Creekview Grill sales tax reimbursement approval to state "A refund of sales tax collected by the Town of Hayden in the amount of 30% for one year following the reopening of the business operation following fire damage restoration."

MANAGER RECOMMENDATION/COMMENTS: I concur with the recommendation.

Maritza Juan De Dios, owner Creek View Grill

RE: Sales tax reimbursement approval

Dear Maritza:

The Town is in receipt of your letter of request dated July 26, 2022. - 2. A refund of sales tax collected by the Town of Hayden in the amount of 40% for the second year of business operation.
- 3. A refund of sales tax collected by the Town of Hayden in the amount of 30% for the third year of business operation. A refund of sales tax collected by the Town of Hayden in the amount of 30% for one year following the reopening of the business operation following fire damage restoration

In order to request reimbursement please submit a request letter with the date requested, total amount of request, and annual quarter you are requesting reimbursement for. Please include name and address that the check needs to be made out to.

Subject: Request to Pause Sales Tax Incentive Program for Creek View Grill

Dear Tegan,

I hope this email finds you well. I'm reaching out on behalf of my client, Maritza, the owner of the Creek View Grill. Unfortunately, the business recently experienced a fire and has not been operational for several months.

In light of this, we kindly request that the sales tax incentive program for the Creek View Grill be paused starting with Q4 2024 and remain on hold until the business is able to reopen. This adjustment would ensure the program reflects the current status of the business.

Please let me know if you need any additional information or documentation. We truly appreciate your understanding and support during this challenging time.

Thank you for your consideration.
