 - i. **Pottery**

- Valentine's Date Night for 2 – sold out
 - Pottery – feedback – interest in a co-op – Fantastic idea! Pay a fee to have access/use to kiln and stuff, but we need a skilled potter to manage all of that. If we have money in budget to pay someone to manage that...??? Or members of co-op could get a discount and take turns managing it. Brook did bring that to Nash and Sarah – we would need to budget for 2026, the money that we would make from co-op would go into the general fund for town. After math it's around 35k/year to run that. We can look into grants for this. Or get it approved in the budget for 2026 budget. Lots of bureaucracy with city too.
