9. 2025 PRIORITIES

1. **Rachel suggested forming a committee to identify and collect a list of infrastructures that need repair, replacement, and cost. Jessica would like to help. We are looking for one or two more people to join this committee to help with research.**

1. **We are considering what projects we can put on a list of contingencies for incoming developers to choose from and give back to Hayden.**
2. **Discussions will be held with Kyle, Brian, Rhonda, etc...**
3. **Discuss with Matt Mendisco ADA grant possibilities to help cover the projects we identify that need attention. Reach out to Kevin Corona.**
4. **We then want to prioritize this list according to what is needed urgently. The information collected will then be taken to different councils for feedback and public comment.**
5. **Provide a suggested prioritized list (based on research) to the economic development committee and town council to look over, and penalties that would be delivered to developers who do not follow through on what they pick and commit to.**

2. Ballfield Lights – Update

1. **This will be added to the list of suggested possible contingencies and assessed at a later date at the urgency level to be determined.**
